

Application Process – Quick Guide

1. Go to: vfc.com/careers and choose "View Open Positions and Apply". This is the portal where all our brands will list all the available vacancies across the globe
2. There are several filters that you could use in order to identify the right match for your next career step (region, job function, seniority level and so on)
3. Once you have identified the fitting role, click "Apply"
4. VF is requiring you to create a candidate account in order to apply. You can decide to create a candidate account or directly apply using the data that you have on your LinkedIn account.
5. In order to create an account, you could choose the application language from the top right hand side button. You will be prompted to enter your email address & set a password (Password must be eight characters long, contain at least one special character, one capital letter, and a number):

English

6. You will be prompted to upload your CV

7. You would be asked to confirm your personal contact details

8. You could enter the details of your experience or skip this step

9. You would need to agree to the standard "terms and conditions"

10. Here you go – application is completed and can now be submitted

Best of luck and wish to see you soon around VF or one of our amazing brands!
